The grant application submitted by the African Accord Union for £4,000 to support the Multi-Cultural Festival on the 29th June 2019 was considered, a copy of which appears as Appendix A in the Minute Book.

RESOLVED that a grant of £4,000 be awarded to the African Accord Union to support the Multi-Cultural Event on the 29th June 2019.

The grant was awarded for this event only and any unspent monies returned to the Parish before the next scheduled event unless agreed otherwise.

The supporting event calculation proved by the African Accord Union is incorrect, the renting of shops should be £2,400 and not £3,800. The Deputy Clerk will contact the group and apply the corrected calculation. This will not change the total sum of the grant award agreed.

The meeting closed at 7:10 pm
