Subject: RE: Transport Requirements for Development - Members & Parishes 2

Dear Joyce,

A rep or two will be sufficient – the session will consist of a 20 minutes or so Powerpoint giving information on the highway design requirements we are introducing, so ideally the rep would have a highways involvement on the Council.

Thank you and regards,

Dear Dave

Is this meeting open to all Councillors to attend or are you wanting a couple of reps from each.

Regards

Joyce
