Subject: RE: Farnborough Road Parking Bays

Hi Rob,

As discussed, please find attached revised cost for the above works.

It now comes to £31,116.65 this is mainly just to the increase in area and depth of construction.

Please can you confirm you are happy to proceed with the works and I will instruct HCS to carry out the works.

If you have any queries, please do not hesitate to contact me.

Kind Regards,

Daniel
Design Engineer
