

GWR Working Party

General

The GWR Working Party will report to the Leisure & Amenities Committee.

The GWR Working Party will look at all aspects of the maintenance, running and refurbishment of GWR Park. It will assist by providing representation to the steering group that will be looking after the HAZ bid, which includes GWR Park. The GWR Working Party will work with representatives of the Mechanics Trust to look into their ideas for future development in the park.

The GWR Working Party will be made up of 3 Parish Councillors and 3 members of the Mechanics Trust.

Terms of Reference

1. To consider the maintenance of GWR Park and recommend improvements to the Leisure & Amenities Committee.
2. To consider the future maintenance of the current flower beds, shrubs, hedges and make recommendations including new planting.
3. To consider refurbishment of the play area and make recommendations.
4. To consider the idea from the Mechanics Trust of a new building at GWR Park and produce a feasibility study and business plan for the running of the building for the Leisure & Amenities Committee to consider.
5. To receive reports on the progress of the HAZ bid and consider any issues that need to be brought to the attention of the Leisure & Amenities Committee.
6. To consider any other matter that involves GWR Park.
