Application for Grant

Please attach a copy of the latest set of annual accounts showing the organisations income, expenditure and level of balances. If the organisation does not prepare annual accounts, copies of the bank statements covering the previous six months must be enclosed.

1.	Name of Organisation	Ipsum
2.	Name of Contact	Julie Mattinson
3.	Address	Bradford House 13 Milton Road Swindon Wiltshire SN1 5JE
4.	Telephone Number of Contact	01793 695405 07809141028
5.	Is the Organisation a Registered Charity?	Yes
6.	Amount of grant requested	£3253
7.	For what purpose or project is the grant requested?	Due to the success of our therapeutic digital audio workshop we need a separate room for this intervention. This also allows us to expand our work with under 18's. Removal of Kitchen, plumbing, units and tiles to create a separate digital audio workshop area. Walls would then need to be made good with some plastering needed, painting and carpets to complete the room. The relocation of the kitchen as a kitchenette for staff use by removing one of our WC's and installing a breakfast bar, sink and cupboard to house mugs etc.
8.	What will be the total cost of the above project?	£3253
9.	If the total cost of the project is more than the grant, how will the residue be financed?	Through fundraising and donations. The funds that Ipsum has in the bank are

		offset as running costs for the charity for the next year because we do not have any current funding streams. The additional studio room will provide us a separate space that can be used to apply for funding for under 18's contracts.
10.	Have you applied for grant for the same project to another organisation? If so, which organisation and how much?	No, we have not applied to any other organisations.
11.	Who will benefit from the project?	The community will benefit from this as Ipsum supports anybody with a mental health need. Also, we are hoping to be able to increase our work with vulnerable under 18's and NEET's as a pilot project has shown that music has a powerful impact for young people, giving them a way to express themselves when they do not have the words.
12.	Approximately how many of those who will benefit are parishioners?	We are based in Milton Road and are very accessible to those in the South Swindon Parish area, we would anticipate that approx 25% of our service users would be local.

You may use a separate sheet of paper to submit any other information which you feel will support this application.
