Report: Play Area Renovation at GWR Park

Explanation

Play area is empty and dire

Very low play value and poor safety surface

An ugly play area that does not befit this important park

A renovation is needed

Proposal

Renovate the play area within the same footprint keeping the existing fence and gate

Install new play equipment that has a train theme

See attached design of preferred option

Quotes

Company 1	£50,000
Company 2	£54,580
Company 3	£49,792

Recommendation

Hire company 3 to install the equipment

The design matches the brief and the price is the cheapest
