Dear Joyce & Chris

Please could Swindon Parish Council do a letter of support for the Swindon Half Marathon. Its future is uncertain. They are meeting with the Borough Council soon.

I ran on Sunday. It was a fantastic event. There was a lot of support especially on Wood Street and Commercial Road. Local businesses such as restaurants and cafes, as well as sports shops benefitted from the increase in footfall.

It really showcases Swindon.

Please could this be discussed at the next leisure and amenities meeting on 9 October?

Kind Regards

Nadine Watts
