**Subject:** Fw: Notification of Intention to Transfer Savernake & Eascott Community Centre to Central Swindon South Parish Council

Hi Rob

Further to the communication from Swindon Borough Council (please see below), we would be grateful if you could confirm that the parish would be happy with the name change for the community centre.

We wanted to refer to the community centre as '**Eastcott Community Centre**'. Currently it is called by a number of names, which is confusing. We also feel that Eastcott Community Centre would better represent the geographical area we support.

Kind regards

Dear

Thank you for your enquiry, as the Council and Parish are in discussions regarding the transfer of the community centre it would be more appropriate for this request to be addressed to the Parish Council in the first instance for comment.

Kind Regards
