Subject: RE: George Gay Demolition

Hi Rob

I am pleased to advise :-

The contractor has hand delivered letters today to all the nearby/adjacent residents informing them:

1. Activity will begin on site next week when the contractor undertaking the demolition, Lawsons Demolitions, will be bringing in welfare units, etc in preparation for the following week
2. W/c 11/3 the contractor will begin clearing the site to enable demolition works to begin
3. Demolition works are planned to complete by end of April 2019.

Many thanks

Housing Strategy & Development Manager
