Subject: Kingshill Air Quality consultation

Hi both

Can I please request another item for the agenda for the next Planning & Environment Committee meeting.

It's the draft Air Quality Action Plan for tree Kingshill area, which is out for consultation. Although the invited form for consultation feedback is a rather sparse anonymous online form, I'd suggest that the Parish consider making a consultation response collectively via the committee, and that we try to find a way of submitting it non-anonymously. I'd kindly ask Jake to contact the officer and enquire about the best way to do so in advance of the meeting.

Swindon Borough Council Air Quality Action Plan

Swindon Borough Council are consulting on an Air Quality Action Plan that outlines things we are planning to do and will continue doing on Kingshill Road to improve air quality and improve our residents' health and wellbeing. We are now asking for your help and input to let us know what you think of our plan and if you think there is more we can do as a Council.

Please read through the details of air quality in Swindon at www.swindon.gov.uk/airquality (<https://www.swindon.gov.uk/airquality>).

We would very much value your views and would be grateful if you could give us your responses to the following questions. The questionnaire should not take longer than 10 minutes to complete.

All feedback received by 3rd February 2019 will be carefully considered.

1. Do you agree with the council's priorities:

- **Priority 1 – To investigate sustainable options for reducing traffic flow of Kingshill Road; particularly in the uphill, South East direction.**
- **Priority 2 – To facilitate a shift to more sustainable modes of travel, better planned journeys and more sustainable fuels.**

- Yes
- No

2. If 'No,' please let us know what we should change in the space below:

3. Do you agree that the council should be taking the actions listed in Table 3 Swindon Air Quality Action Plan Measures?

- Yes
- No

4. If 'No,' please let us know what you don't agree with in the space below; please include the action number in your response.

5. If you have any other comments on the Draft Air Quality Action Plan please provide them in the space below:
