

We offer a bulky waste service

Bulky Waste

Swindon's Bulky Waste Service can remove and dispose of most large household items such as fridges, mattresses and furniture for a small charge per collection.

To find out what items we collect and to request a collection please visit

www.swindon.gov.uk/bulkywaste

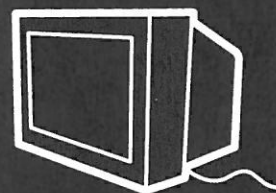

We recycle as much of your waste as possible, but, you may prefer to give a longer life to your items. If they are in good condition, you might donate them to a charity shop, sell them to friends or family, or offer them on an online auction site.

mattresses

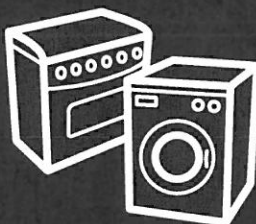

furniture

**tv's &
monitors**

**fridges
& freezers**

**large
appliances**

**small
appliances**

Failure to dispose of your household waste, as explained, is a criminal offence, which could lead to criminal prosecution and a fine.
