Subject: Quarry Road Tennis Courts

Hi Andrea & Joyce

I know that the Town Gardens and the Quarry Road Recreation ground are due to transfer to the parish. Please could I check if the tennis courts on Quarry Road are also included? (Not sure if the tennis courts come under the recreation ground or are separate).

The tennis courts in Quarry Road are in a poor state. I know that St Mark's in Gorse Hill have refurbished their courts and run a successful community tennis scheme from there

It would be good if the parish could do something with them so that they are brought back into use again.

Kind Regards
