Dear Joyce

It isn't going to be huge for materials so long as you are happy that the productively will be a little lower in both parks attending to the toilets. The cost is likely to be around £300 for the winter period. The issue will be if there is any damage sustained during this period.

By all means have the parish Rangers fit the signs so they are exactly where you want them.

Kind Regards

Dear Rob

I agree. People that do the wrong thing are not people that read signs. Will the Queens Park staff put up the signs if we supply them or do you want our Parish Rangers to do it.

I assume that the toilets are due to close at the end of the month.
The Parish Council would be happy to pay the additional cleaning materials costs in order for the toilets to be kept open during the winter months during work time in the week.

As this will be outside the Contract, so I guess we will need to agree a price and issue an order.
