At the same time, we might discuss whether we could put a couple of benches at the High Street end of the avenue. I think it's three residents who have pointed out to me that there is only one public seat in the whole of Old Town (outside Expressions), and the start of the avenue seems the obvious place.

With kind regards

Dear Jane

I totally agree with you, but there is no AOB on our agendas.

I am happy to put this on the agenda of the following meeting in 2 weeks time on 14 November 2017.
