Dear Allyson & Leon

I have seen from the SBC website that Old Town Library is going to be open for additional hours from 2 July 2018.

The Parish Council has not been officially told of this.

Would you be able to email me something, so that I can put this on the agenda of the next Leisure & Amenities Committee Meeting.

I am away from Friday, so I have to prepare the agenda tomorrow, so if you could do this pretty quickly

Regards

Joyce
