Hi Joyce,

For flowers we were thinking pansy's, with a possibility to plant bulbs under them so that in the spring we can see a continued use of the flower bed.

Regards

Mike

Dear Mike

You said something about doing the flowers to spell out the name of GWR.

Are you able to give me more information about this as well and the plants to be used.

I just want to give as much information to people as possible.

Regards

Joyce

Hi Joyce,

I have attached a sketch that the team have made, where you see the flower bed, this is where the conservatory used to overlook. It will sit in the already established but unused flower bed in the area.

Kind Regards

Mike

Dear Mike

It was good to talk to you this morning and hear about your plans.

Would it be possible to indicate exactly which bed it is so I can let people know.

Regards

Joyce

Hi Joyce,

was great to talk to you, I must say that I am really keen and excited about this project at GWR park, having seen the old photos and how the park once looked is truly inspirational.

So our idea is to reinvigorate an existing flower bed and plant some flowers to inspire the public and bring recognition to would also like to either paint or scrub the graffiti off of the children's park.

We will raise money, buy equipment and all the items needed to complete the task.

We aim to start no later than 29/10/18 with an end date of 2/11/18.

We will also be getting in touch with the Swindon advertiser and local radio to help raise the profile of both the trust on the park.

Kind Regards

Mike Harrison
