Subject: S/DEM/18/0536 Demolition of George Gay Gardens

Dear All

Please be aware that an application seeking the Councils prior approval for the demolition of George Gay Gardens has been submitted.

As it is an application for prior approval and not planning permission there is no requirement to formally notify anybody.

The applicant will have displayed a site notice at George Gay Gardens so I would expect residents to know about this.

I understand that an application may be forthcoming in the future for the redevelopment of this site by the Council but we have yet to have sight of this.

We have only 28 days to make a decision on this application, which takes me to the 5th July.

This is really just a courtesy email advising you of the application.

Should you have questions then please do not hesitate to contact me.

Regards

Rachael
